Classes Mission in Government Order No.2437 Miscellaneous, Revenue Department, dated 28th October 1919, communicated with Board's Proceedings No. Land Revenue 1373 Miscellaneous, dated 1st November 1919, for the purpose of an agricultural settlement for Depressed Classes has been encroached upon by Putraya Subbanna Bhatta, Trustee of the Bhagavathi temple existing in the adjoining Survey No.90, by enclosing it with a wall. Steps were taken under the Land Encroachment Act to evict the encroacher and he now appeals to me against the order of the Divisional Officer issued under section 6 of the Act. Enquiry shows that the plot is necessary for the said temple, that there is a devil stone in it and that the Panchamas are against occupying the plot. The Secretary of the Depressed Classes Mission. has no objection to the plot 209/1B1 being resumed by Government -- and requests that in the interests of the Panchamas to whom so many as 19 plots in the neighbourhood of the land alienated have been already granted on darkhast and also to facilitate the work of forming an agricultural settlement for the Panchama Classes the plot may be given to the temple. I beg, therefore, to recommend that the plot in question viz., Survey No.209/1B1 may be ordered to be resumed.

Records of E.C. 14/1329 are enclosed.
